## Press Release

### **HCG announces the launch of comprehensive cancer centre in Kanpur**

**Bengaluru, 17<sup>th</sup> May, 2017 – HealthCare Global Enterprises Ltd. (HCG)** today announced the launch of comprehensive cancer care services at the **HCG Regency Oncology Centre** in Kanpur.

The new centre is being operated by HCG Regency Oncology Healthcare Private Limited, a joint venture between HCG and Regency Hospitals Ltd., the largest private hospital group in Uttar Pradesh.

HCG Regency Oncology Centre is the first comprehensive cancer centre in the city of Kanpur, the largest city in the state of Uttar Pradesh.

The new centre is equipped with 90 beds in a new hospital building and features advanced radiation therapy, a multi-disciplinary team of oncologists including sub-specialists, as well as the first PET-CT and bone marrow transplant unit in the city.

The centre serves an estimated 4.5 million people in Kanpur district as well as surrounding regions of Southern Uttar Pradesh and northern Madhya Pradesh.

Given the strong demand the hospital decided to commence outpatient services in January 2017. Now with the opening of inpatient and surgical services, the centre offers comprehensive cancer care services.

**Dr. B.S. Ajaikumar, Chairman, HCG Enterprises Ltd.** said, “We are very pleased to announce the launch of our new comprehensive cancer centre in Kanpur in partnership with Regency Hospital, the leading hospital group in UP. We see a huge potential unmet demand for advanced cancer care in the region served by this centre. This is a major step forward in our mission to make high quality cancer care accessible to all.”

**Dr. Atul Kapoor, Chairman of Regency Hospitals** added, “We are excited to be partners with HCG, the leaders in cancer in India, to establish the first advanced comprehensive cancer center in Kanpur. We have a large number of cancer patients coming to our hospitals across the state and with this new centre we can now offer the best in cancer care to them in one place.”
